Verse

!A            Bm7/E        !A            Bm7/E        !  
Baby I?m through    Running, it?s true

!A            Bm7/E        !F#m        A7            !  
I?d be a fool        To try to escape you

!D            E            !D            E            !  
Maybe I?m beat        Oh, but that sweet surrender

You keep your rights, I?ll take your nights.  
No one can lose when we turn the lights out  
Tasting defeat, loving that sweet??

Into Bridge

!F#m                            !F#m                            !  
Surrender

Bridge

!D            E/D            !A            Bm7/E        !  
I?m giving up        myself to you

!A/C#        E            !F#m                            !  
But I didn?t really lose at all

!D            E/D            !A            A7            !  
I gained the only love I?ve known, and it never

!D            E            !D            E            !  
Hurt me to fall

Verse 2

Now that it's done, so glad you won  
I know our lives have only begun now  
No more retreat, only my sweet surrender
