

Grab My Hand
Breahna Dasal

GRAB MY HAND

*no capo

whole song in 4/4 time and every chord gets a measure

Intro

D/A/Em/G

D **A**
Quit pushing me, quit pushing me over the edge
Em **G**
I m slipping I m falling I m loosing grip on the rock above my head
D **A** **Em**
And if everything comes down to love baby why are you making this tough?
G
On me tell me

CHORUS

D **A** **Em** **G**
Grab my hand pull me up I wanna drown in your special kind of love
D **A**
wanna leave this place where I love you but you need me
Em **G** **D**
I wanna be the reason that smile is on your face so grab my hand
D **A** **Em**
I thought that you were fearless I thought that I couldn t scare you away
G
But I guess you lied cause I haven t heard from you today
D **A** **Em**
I don t know what to do cause baby to tell you the truth
G
I think that I have fallen hard for you

CHORUS

D **A**
Take two steps forward and don t look back
Em **G**
You and I we can handle that

CHORUS 2

D
You grabbed my hand and pulled me up
A **Em** **G**
And now I m drowning in your special kind of love

D

I m glad we left that now I love you and you love me

A

Em

I know that I m the reason that smile is on your face

G

D

One more thing hold my hand
