Grab My Hand Breahna Dasal GRAB MY HAND \*no capo whole song in 4/4 time and every chord gets a measure Intro D/A/Em/G Quit pushing me, quit pushing me over the edge I m slipping I m falling I m loosing grip on the rock above my head And if everything comes down to love baby why are you making this tough? On me tell me CHORUS G Α Em Grab my hand pull me up I wanna drown in your special kind of love wanna leave this place where I love you but you need me I wanna be the reason that smile is on your face so grab my hand I thought that you were fearless I thought that I couldn t scare you away But I guess you lied cause I haven t heard from you today F:m I don t know what to do cause baby to tell you the truth I think that I have fallen hard for you **CHORUS** Take two steps forward and don t look back You and I we can handle that CHORUS 2

G

You grabbed my hand and pulled me up

And now I m drowning in your special kind of love
