Catapult
Breanne Duren

```
-----------------------------------------------------------------------
                           CATAPULT                    BREANNE DUREN
-----------------------------------------------------------------------
```

Tabbed by:hurricaneherman
Tuning:Standard

~INTRO~

B5 C#5 G#5 E5 X[2]

~VERSE~

```
        B5  C#5        G#5                    E5
Lets go outside forget everything for just one night
         B5  C#5                G#5                    E5
Nothing to hide I wanna see you beneath the bright moonlight
          B5                 C#5
Lets do this right lets go explore
G#5                    E5          B5    C#5 G#5 E5
Try something we ve never tried before
```

~CHORUS~

```
    B     F#                   G#m             E
This catapult will send us into the sky into the sky
    B           F#                   G#m  E        B  C#m
No I wont let you fall cause you were born born to fly
G#m      E          B    C#m G#m E
Born to fly Born to fly
```

~VERSE~

```
                   B      C#m        G#m                    E
They ll climb to the rooftops and just to see us come brushing by
                       B      C#m                 G#m           E
Over the streets and the sidewalks well they ll come running out tonight
            B                 C#m
Something s bound to happen here
         G#m          E             B     C#m
It s been bottled up bottled up for years
```

~CHORUS~

```
    B   F#                   G#m             E
This catapult will send us into the sky into the sky
```

```
      B            F#                  G#m           E
No I wont let you fall cause you were born to fly born to fly
      G#m    D#m       E                F#
From starry trails tonight across the blue we ll sail
      B    F#                  G#m             E            B    F#
This catapult will send us into the sky cause you were born to fly
G#m       E           B    F# G#m E
Born to fly born to fly

~BRIDGE~

F#                           G#m           E
We ll be like satellites and never touch the ground
F#                           G#m           B             F#
Lost in northern lights we ll never come back never come back down

~CHORUS~

      B    F#                  G#m           E
This catapult will send us into the sky into the sky
      B            F#                  G#m           E
No I wont let you fall cause you were born to fly born to fly
      G#m    D#m       E                F#
From starry trails tonight across the blue we ll sail
      B    F#                  G#m             E            B    F#
This catapult will send us into the sky cause you were born to fly
G#m       E           B    F# G#m
Born to fly born to fly
E                 B F# G#m      E            B    F# G#m E B
You were born to fly born to fly born to fly
