

**Daydreams**

**Breanne Duren**

Capo 3

Verse 1:

**G**  
I never noticed how my heart could beat so loud  
**C**  
When I think of you  
**G** **C**  
And I cant focus now, got my head up in the clouds  
  
When I, think of you  
**G** **C**  
My hearts so lost in all the chaos. Its got me crazy  
**G**  
With the spell you cast, it all happened so fast  
**C**  
Goodbye to loneliness  
**Em** **D**  
And when I close my eyes, you play like a movie in my mind

**G**

Chorus:

**G**  
You are the star of my daydreams  
**D**  
Everything you are is my reverie  
**Em** **C** **D**  
Can you feel my heart when youre moving closer and closer?  
**G**  
You are the star of my daydreams  
**D**  
Everything you are is my reverie  
**Em** **C**  
Can you feel my heart when youre moving closer and closer?  
**Em** **D**  
Oh I think that we, that we were meant to be

**G**

Verse 2:

**G**  
Everything you do is so fresh and brand new  
**C** **G**

That I cant help this crush on you.

**C**

I wanna be the breakthrough kind of love to you

**G**

**C**

Sparks are flying like butterflies and Im so high

**G**

On the spell you cast, it all happened so fast

**C**

Goodbye to loneliness

**Em**

**D**

And when I close my eyes, you play like a movie in my mind

**C**

**D**

And I wanna rewind over and over a thousand times

**G**

You are the star of my daydreams

**D**

Everything you are is my reverie

**Em**

**C**

**D**

Can you feel my heart when youre moving closer and closer?

**G**

You are the star of my daydreams

**D**

Everything you are is my reverie

**Em**

**C**

Can you feel my heart when youre moving closer and closer?

**Em**

**D**

Oh I think that we, that we were meant to be

**G**

Oh I think that we, that we were meant to be

**G**

Oh I think that we, that we were meant to be

**C D**

Chorus:

**G**

You are the star of my daydreams

**D**

Everything you are is my reverie

**Em**

**C**

**D**

Can you feel my heart when youre moving closer and closer?

**G**

You are the star of my daydreams

**D**

Everything you are is my reverie
