

Gone So Long  
Breathe Carolina

# Capo 1

Verses:

Dm C G  
My eyes open to the sound of a song I ve heard,  
Dm C G  
Don t know the name but I know all the words  
Dm C  
Sun came up, crawled into the front seat  
G Dm  
Memories leaving me, was it all a dream I had?  
C G  
Time for us to wake up

Dm C

I ll save my words to make the most of it

G

I never meant to be gone so long

Chorus :

**Dm**                      **C**                      **G**  
Do you still remember my touch at all?

I never meant to be gone so long  
Dm C G  
Do you still remember my touch at all?

I never meant to be gone so long

Bridge:

**Dm**  
The world still moves on

I m sorry I made you wait

**C** **G**  
I wish that I, I could stay

The rest is pretty self explanatory, hope you enjoy! :)
