

Gone So Long
Breathe Carolina

Capo 1

Verses:

Ebm **C#** **G#**
My eyes open to the sound of a song I ve heard,
Ebm **C#** **G#**
Don t know the name but I know all the words
Ebm **C#**
Sun came up, crawled into the front seat
 G# **Ebm**
Memories leaving me, was it all a dream I had?
 C# **G#**
Time for us to wake up

 Ebm **C#**
I ll save my words to make the most of it
 G#
I never meant to be gone so long

Chorus:

Ebm **C#** **G#**
Do you still remember my touch at all?

I never meant to be gone so long
Ebm **C#** **G#**
Do you still remember my touch at all?

I never meant to be gone so long

Bridge:

Ebm
The world still moves on

I m sorry I made you wait
C# **G#**
I wish that I, I could stay

The rest is pretty self explanatory, hope you enjoy! :)
