

Gone So Long
Breathe Carolina

Capo 1

Verses:

Em **D** **A**
 My eyes open to the sound of a song I ve heard,
Em **D** **A**
 Don t know the name but I know all the words
Em **D**
 Sun came up, crawled into the front seat
A **Em**
 Memories leaving me, was it all a dream I had?
D **A**
 Time for us to wake up

Em D
I ll save my words to make the most of it
A
I never meant to be gone so long

Chorus :

Em **D** **A**

Do you still remember my touch at all?

I never meant to be gone so long

Em **D** **A**

Do you still remember my touch at all?

I never meant to be gone so long

Bridge:

Em
The world still moves on

I m sorry I made you wait
D **A**
 I wish that I, I could stay

The rest is pretty self explanatory, hope you enjoy! :)
