Fallen - Bree Sharp

Transcribed originally by Diane E.

Intro: **C Dm** (2x)

Verse:

C **Dm**
Lucy is gazing, out into space
C
She has starry eyes, starry eyes
Dm **Bb** **C** **G**
That light up her face, like an angel
C **Dm**
Little girl, little girl questioning me.
C
She says, Why doesn't everyone
Dm
Have what they need?
C **C** **G**
Where are the angels, angels, angels,
Bb **C** **G**
Where are the angels, angels, angels

Chorus:

F **G** **Bb** **F** **F** **G** **Bb** **F**
I can not tell you, my little darling.
F **G** **Bb** **F** **Bb** **C** **G**
All my faith has fallen, fallen, fallen.

Verse:

C
The stars in Lucy's eyes
Dm
Run down her cheek like
C **Dm**
Teardrops of fire still her voice is
Bb **C** **G**
As sweet as an angel
C
She says, Where is the place that
Dm **C**
The good souls go, where they take away,
Dm
Take away the pain that they know?
Bb **C** **G**

Where are the angels, angels, angels?

Bb C G

Where are the angels, angels, angels?

-Chorus
