Breed 77

Em **Bm**
There you are
Em **Bm**
Prisoner of a darker sky
Em **Bm**
Just another day
Em **Bm**
Find another way
Em **C** **Bm**
To get through another day alive

Em **Bm**
But I know that deep inside
Em **Bm**
Yes I know it isn\ t time
Em **C** **Bm**
To cut the chains and run

Coro:

Em **D**
I wanna feel the blood flow inside me
C **B**
Just to remind me that i\ m alive
Em **D**
I wanna tear down the walls that surround me
C **B**
The city that drowns me Keeps me alive

Em **Bm**
Hear me now
Em **Bm**
One last word til I say Goodbye
Em **Bm**
Look the other way
Em **Bm**
Why the price I pay
Em **C** **Bm**
To get through another day alive

Em **Bm**
Now I know its all a lie

Em **Bm**
If I fail I will survive
Em **C** **Bm**
And cut the chains and run

Coro:

Em **D**
I wanna feel the blood flow inside me
C **B**
Just to remind me that i\ m alive
Em **D**
I wanna tear down the walls that surround me
C **B**
The city that drowns me Keeps me alive
