

**I Know**  
**B.Reith**

This is my first tab. I hope you like it. The tuning is standard. The strumming for this song is pretty funky, but if you look it up and listen to it, you should be able to figure it out. Enjoy! :)

(Verse)

**A**  
Everyday s a new beginning,  
Filled with tales untold,  
Through a tainted window,  
We all watch our lives unfold,

**Bm** **D**  
And so it goes on and on, on and on,

**A**  
And so it goes,

Some doors happen to be open,  
While others still stay closed,  
Why we try to plan ahead,

**Bm**  
Nobody truly knows what tomorrow holds,

**D** **A**  
Oh-oh-oh, That s how the story goes,

(Chorus)

**A**  
I know life may not always go,

**Bm**  
The way you planned it,  
You can t stand it,

**D**  
You feel left alone,

Can paralyze us,

**Ama j7**

**F#7**

And leaves us by the wayside,

**D**

Dying to find a reason,

**E**

To keep on breathing,

**Ama j7**

When all hope is gone,

**D**

To keep on believing,

**E**

To keep on believing,

(Repeat Chorus twice)
