People all around, but I don t hear a sound,
 Gm7 **C7** **F** **Gm7** **F**
just the lonely beating of my heart.

CHORUS:

Dm **Aaug** **Dm7 Dm6**
No use in holding other hands,
Dm **A#** **A7**
For I d be holding only emptiness.
Dm **Aaug** **Dm7 Dm6**
No use in kissing other lips,
Dm **A#** **A7**
For I d be thinking just of your caress.
