**F** **D#**  
I used to be so happy, now I m sad.  
**F** **D#**  
You wrecked a good love and now your glad.  
**F** **D#**  
It wasn t very hard for you to do.  
**C**  
You handed back the heart that loved you so true.

CHORUS:

**F**  
Now, I m in so deep, I can t get deeper.  
**Dm**  
I m oh, so low, I can t get lower.  
**Bb** **C**  
I m blue so blue, I can t get bluer..all because  
**F** **C**  
of you.

#2.

**F** **D#**  
It really hurt to find out that you lied.  
**F** **D#**  
I can t believe the pain I feel inside.  
**F** **D#**  
I guess all along you were laughin at me.  
**C**  
Oh, what a shame, I couldn t see.

CHORUS:

**F**  
But, I m in so deep, I can t get deeper.  
**Dm**  
I m oh, so low, I can t get lower.  
**Bb** **C**  
I m blue so blue, I can t get bluer..all because  
**F** **C**  
of you.

**F** **D#**  
Wish I could fool myself and say I m fine.

**F** **D#**  
Forget the past, get it out of my mind.

**F** **D#**  
And though I m tryin just as hard as I can.

**C**  
I can t shake the state that I m in.

CHORUS:

**F**  
Cause, I m in so deep, I can t get deeper.

**Dm**  
I m oh, so low, I can t get lower.

**Bb** **C**  
I m blue so blue, I can t get bluer..all because  
**F** **C**  
of you.

OUTRO:

**F**  
In so deep, I can t get deeper.

I m blue so blue, I can t get bluer..all because  
**F**  
of you..(Fade.)
