

I'll Never Tell
Brendan Benson

F#m **A**
I ll never tell how much I love you
B **D**
Never show how much I care
B **C#** **F#m** **E**
I won t speak a single solitary word
F#m **A**
Until I m well enough above you
B **D**
To say hello to you down there
B **C#** **F#m**
Well then and only then I ll rest assured

E **F#m**
People say how can you be so cruel
E
Well it s easy when you re me
F#m **C#**
You know you ll always be an exception to the rule
E **F#m**
And they say it s all in my foolish pride
E
It s getting in the way
C#
It s the reason I don t say what I feel inside

F#m **A**
I ll never tell how much I love you
B **D**
Never show how much I care
B **C#** **F#m** **E**
I won t speak a single solitary word
F#m **A**
Until I m well enough above you
B **D**
To say hello to you down there
B **C#** **F#m**
Well then and only then I ll rest assured

I m happy just to sit with you like this
F#m
And you don t have to talk at all

E

I just enjoy the company

Especially when he or she is

F#m **C#**

In it for the long haul

E

F#m

We could rock or we could sing or we could not do anything at all

It s neither here nor there

And I don t really care

It s your call
