**Brendan Benson**

Artist: Brendan Benson

Song: You Make A Fool Out Of Me

Album: My Old, Familiar Friend (2009)

Tabbed by: Mekkema

Intro:

**A F#m F Em**

Verse:

**A F#m**  
I left my happy home  
**F Em**  
I took off down the road  
**A F#m**  
I tried to hold my tongue  
**F E**  
I've never felt so dumb  
**F G C**  
There's only so much I can take  
**F G C**  
when you point out my every mistake  
**F G E Am**  
And you show me up now so everyone can see  
**F G A**  
you make a fool out of me

I had the strangest dream  
I tried but could not scream  
nobody seemed to care  
and I'm sure that you were there  
what I believe to be true  
whatever my point of view  
you prove me wrong and you disagree  
and you'll make a fool out of me

Bridge: **A F#m F Em**

I took the long way home  
I needed time alone  
and I breathe the evening air  
and I wished that you were there  
and how should I take what you say  
when you'll just explain it all away  
and you'll pull the rug out from under my feet  
and you'll make a fool out of me  
and you'll make a fool out of me  
and you'll make a fool out of me
