and you ll make a fool out of me

Bridge: G Em Eb Dm

I took the long way home

I needed time alone

and I breathe the evening air

and I wished that you were there

and how should i take what you say

when you ll just explain it all away

and you ll pull the rug out from under my feet

and you ll make a fool out of me

and you ll make a fool out of me

and you ll make a fool out of me
