Artist: Brendan Benson
Song: You Make A Fool Out Of Me
Album: My Old, Familiar Friend (2009)
Tabbed by: Mekkema

Intro:
B G#m G F#m

Verse:
B G#m
I left my happy home
G F#m
I took off down the road
B G#m
I tried to hold my tongue
G F#
I've never felt so dumb
G A D
There's only so much I can take
G A D
when you point out my every mistake
G A F# Bm
And you show me up now so everyone can see
G A B
you make a fool out of me

I had the strangest dream
I tried but could not scream
nobody seemed to care
and I'm sure that you were there
what I believe to be true
whatever my point of view
you prove me wrong and you disagree
and you'll make a fool out of me

Bridge: **B G#m G F#m**

I took the long way home
I needed time alone
and I breathe the evening air
and I wished that you were there
and how should I take what you say
when you'll just explain it all away
and you'll pull the rug out from under my feet
and you'll make a fool out of me
and you'll make a fool out of me
and you'll make a fool out of me
