Intro:

F# Ebm D C#m

Verse:

F# Ebm
I left my happy home
D C#m
I took off down the road
F# Ebm
I tried to hold my tongue
D C#
I've never felt so dumb
D E A
There's only so much I can take
D E A
when you point out my every mistake
D E C# F#m
And you show me up now so everyone can see
D E F#
you make a fool out of me

I had the strangest dream
I tried but could not scream
nobody seemed to care
and I'm sure that you were there
what I believe to be true
whatever my point of view
you prove me wrong and you disagree
and you'll make a fool out of me

Bridge: **F# Ebm D C#m**

I took the long way home
I needed time alone
and I breathe the evening air
and I wished that you were there
and how should I take what you say
when you'll just explain it all away
and you'll pull the rug out from under my feet
and you'll make a fool out of me
and you'll make a fool out of me
and you'll make a fool out of me
