I was morning on Sunday news just came from my friend Mike

We had a friend on the highway but his car rolled four or five times

In the early hours of the morning you get new like that it gets you mourning The
as cold as the Keiths I m sipping on

TV s a war it s as bad as the Lebanon Enough with the beer I think I ll put on
the

Enough with the war CNN is the devil The winter s as cold as the Keiths I m
sipping on

a

it s as bad as the Lebanon We re finding it hard that the world s still dropping
bombs I

to know what George W s tripping on

Tell me when

She s alright alright alright

Everyone around take a look at the ground

We got holes everywhere we got bombs in the air

Hey Joe, man what you doing over there?

Every little thing shouldn t get you down

Everybody everybody turn it around

Don t let it get you down

Don t let it get you down

Don t let it get you down down

No she s alright

No she s alright

Know that she s alright

Know she s alright

I was still morning on Sunday Monday Tuesday Wednesday

Thursday Friday Saturday morning well it gets so cold as I look outside

The snow won t go I don t know why ice won t crack and the clouds in the sky

Mother

as cold as a killer

Don t keep leaving the lights on!
Pay the bill for the phone!
Oh heat is cheap come the springtime
We re grinded down to the bone!

The winter s as cold as the Keiths I m sipping on TV s a war it s as bad as the
Lebanon

with the beer I think I ll put on the kettle Enough with the war CNN is the
devil

The winters as cold as the Keith s I m sipping on TV s a war it s as bad as the
Lebanon

finding it hard we still be dropping bombs I want to know what George W s
tripping on

Call me when

She s alright alright alright
