

Heros Song

Brendan James

Verse 1

G

Here I am

F

In the desert again

C

A compass and a weapon

G

A lost American

G

I started out with a simple plan

F

And a locket in my hand

C

But the sun s so unforgiving

G

And the wind so hard to stand

G

Fall out, fall out

F

With the rest of your brothers

C

With the rest of your sisters

G

Heroes on the line

G

Carry out what your leader says

F

For what his leader says

C

Is that his leader says

G

this is right for the people

Bridge

F

Dm

No one will ever understand why thousands of

F

G

beautiful healthy young statues must fall

Chorus

C

G

Smoke and explosions surround me

G

Dm

A flood of hate, it drowns me

Dm

F

I cannot live this way
F **G** - (optional)
No I cannot live with
C **G**
Doubt and confusion they find me
G **Dm**
They run up right behind me
Dm **F**
I cannot die this way
F **C**
No, I cannot die this way

C G Dm F

Verse 2

G
In the water, in the sand
F
Is the blood of a culture
C
Is the blood of an ancient people
G
In whose holy war I stand
G
I hear the world like a cannon roar
F
Say I can win this war
C
I promise them this
G
Is not what I signed up for

Bridge

F **Dm**
No one will ever understand why thousands of
F **G**
beautiful healthy young statues must fall
