Stupid
Brendan Maclean

Listen to the song for timing! :3
Can be played on guitar or ukulele!
No Capo (but add capo anywhere to suit your voice, I play it with capo on
second)

G G6 G G6

G   **D**
If you weren t so stupid I could have loved you
                                    Am   **C**
And if you weren t so stupid but you re pretty stupid
G   **D**
And if you weren t so busy I could have loved you
                              Am   **C**
But you work in an ofﬁce and you ve got other offers

          G   **D**
Tell me, what is his name now? What is his name? I m excited to hear the news
          Am   **C**
Tell me what is his name now? What does it say about you?

              G   **D**   **Am**   **C**
But let s not be friends or else this will never end
        G   **D**   **Am**   **C**
Let s not be friends for sure, for sure

G   **D**
And if you weren t so ugly, I could have loved you.
                        Am   **C**
It s something I tell myself when I m down to get high, Lord
G   **D**
If you made me a coffee I could have loved you.
                            Am   **C**
And I d make you hot chocolate and anything you wanted

          G   **D**
Tell me, who is invited? So fucking delighted to see all the boys, you see
          Am   **C**
Tell me, why don t I ﬁght it? What does it say about me?

              G   **D**   **Am**   **C**
But let s not be friends or else this will never end
        G   **D**   **Am**   **C**
Let s not be friends for sure, for sure

          G   **D**   **Am**   **C**
We d adopt, we d have dogs

```
      G           D              Am   C
I have all the things he s got. But I m not

        G             D  Am                   C
So let s stop - pretend that there ll be a happy end.
      G       D           Am          C
Let s not be friends for sure, for sure.

  G    D           Am      C
We d adopt, we d have dogs
        G          D          Am   C
I have all the things he s got. But I m not
