

Lovesick Lullaby

Brent Morgan

A **A7** **D**
She d trade anything for half a hand to hold her,

A **A7** **D**
Cuz the wind it blows with less than sweet intent,

A **A7** **D**
With the winter near, Ive never seen her colder,

D (strum once)
But it aint over yet...

A **A7** **D**
With a broken heart, And nothing left to lose,

A **A7** **D**
Just an open road and the snow beneath her shoes,

A **A7** **D**
Though its hurts too much sometimes to hear the truth,

D (strum once)
It s the only thing to do...
