

Alone But Contently
Brent Walsh

E7

[Verse 1]

 A Bbdim
Would you believe I aim to be
 Bm E
Somewhere in between, hurting but hopeful
 Fdim F#m
Nervous but free, alone but contently?

[Chorus 1]

 D E
If I had just one more day with you
 Fdim
To soak in the view
 F#m E D
Well, you couldn't tear my gaze away
 Asus4 A
But there's no hope in yesterday

[Verse 2]

 Bbdim Bm
So I'll just reprieve myself of this grief
 E Fdim
Sing like I'm happy, no minor keys
 F#m
Like the sorrow eludes me

[Chorus 2]

 D E
But if I had just one more day with you
 Fdim
Aware of the clue
 F#m E D
That I'd never hold you quite the same
 Asus4 A
Well, I'd still let it end this way
