

The Truth Is
Brent Walsh

Em **D**
I m in love with the thought of you
C **D**
But a thought s not enough to hold onto
Em **D**
Oh, the distance just made a mess
Em **G**
And the warmest embrace couldn t fix it

C **B7**
Now I m helpless when I m alone
C **B7**
I can t be in my room at all
Em **D** **C**
And the truth is that I m a mess
Em **D** **C**
Oh, the truth is that I m a mess without you

Em **G**
I m in love with the way it was
C **D**
When you had faith that we had a purpose
Em **D**
Oh, I dreamed and you dreamed with me
C **G**
Of the life that could never deserve us

c **B7**
Now I m helpless when I m alone
c **B7**
Oh, this home s not a home at all
Em **D** **C**
And the truth is that I m a mess
Em **D** **C**
Oh, the truth is that I m a mess without you

C **C**
I guess you never know what the future holds
C **C** **G** **Em**
Just two weeks ago, we were happy, maybe it was just me
C **C**
I never would have guessed how this all regressed
C **C** **G** **Em**
How you loved me less, til the words came on that morning
Bm **D**
Left my heart on a string in your doorway

Em D C
And the truth is that I m a mess

Em **D** **C**

Oh, the truth is that I m a mess without you
