

Unsung

Brett Anderson

This is an easy song, but may sound/look odd if you play along without knowing the rhythm.

For this tab Im gonna count every beat so its easier to play - play the same chord until the next one shows up.

Intro:

D 2 3 4 1 2 **F#m** 4
Bm 2 3 4 1 2 **D** 4
G 2 3 4 1 2 **A** 4
D 2 3 4 1 2 **F#m** 4

D 2 3 4 1 2 **F#m** 4
Plans, all those intricate plans,
Bm 2 3 4 1 2 **D** 4 **G** 2 3 4
Left like gloves on the railings,
1 2 **A** 4 **D** 2 3 4 1 2 **F#m** 4
Slipping through your hands.
Bm 2 3 4 1 2 **D** 4 **G** 2 3 4
Clouds, those impossible clouds
1 2 **A** 4 **D** 2 3 4 1 2 **F#m** 4
Are gathering now.

D 2 3 4 1 2 **F#m** 4

Bm 2 3 4 1 2 **F#m** 4
Soar like a love song
G 2 3 4 1 2 **A** 4
That stutters, life-long
D 2 3 4 **D** 2 3 4 1 2 **F#m** 4
Unsung

Bm 2 3 4 1 2 **F#m** 4
Soar like a swallow,
G 2 3 4 1 2 **A** 4
That cycles life-long
D 2 3 4 **D** 2 3 4 1 2 **F#m** 4
Unsung

[Some riffing here on D for 8 bars]

Em 2 3 4 1 2 3 4
And it s all in your head,
G 2 3 4 1 2 **Bm** 6

And it s all in your head,

Em 2 3 4 1

And it s all,

1 2 **D/F#** 4 **A** 2 3 4 **A7** 2 3 4

Slipping through your hands

[Repeat Chorus To End]

And by the way the D/F# simply means a D chord but with the bass (the lowest note)

on F#. Its easily played like this:
