

Closer To You  
Brett Dennen

Intro

**A** **E** **A** **E**

**A**

Well I ve tasted love so sweet

**A**

Played around but not for keeps

**F#m**

I never been knocked off my feet

**F#m**

Till you came along

**C#m**

In the room surrounding me

**D**

Are angels I cannot see

**Bm**

I know they come to carry me to

**E**

Where I belong

**F#m**

**C#m**

Closer to you, closer to you

**D**

I m singing like a sailor

**F#m**

strutting up your avenue

**Bm**

Like a clown in a costume shop

**C#m**

Wearing nothing but my birthday suit

**F#m**

**F#m**

Getting closer to you

**A**

All the knocks upon your door

**A**

Footsteps fallen on your floor

**F#m**

All the shipwrecks on your shore

**F#m**

Mean nothing to me

**C#m**

All the crooks on Capitol Hill

**D**

Criminals on the dollar bills

**Bm**

All the money on Wall Street still

**E**

Couldn't keep me from getting

**F#m**

**C#m**

Closer to you. Closer to you

**D**

Like a priest on a pulpit

**F#m**

preaching to an empty room

**Bm**

Like a drunk in a dive bar

**C#m**

In the early afternoon

**F#m**

**F#m**

Closer to you.

**Dm**

Poets could not pronounce your name

**Dm**

Gamblers couldn't play the game

**Am**

Matchstick statues set to flame

**Am**

Couldn't hold a candle to you

**Gm**

Swindlers on the Sunset strip

**Gm**

Hypnotists and hypocrites

**E**

Ventriloquists and Pickpockets

**E**

Wish that they could get

Solo: **Dm Dm Am Am Gm Gm E E**

**A**

Well I've tasted love so sweet

**A**

Played around but not for keeps

**F#m**

I never been knocked off my feet

**F#m**

Till you came along

**C#m**

I sit through the trickery

**D**

The jealousy and vanity

**Bm**

The potency of your prophesy

**E**

Because I long to be

**F#m**

**C#m**

Closer to you. Closer to you

**D**

Like a hound dog in a junkyard honey

**F#m**

I m howling at the moon

**Bm**

Like a Pirate in a pawnshop

**C#m**

with a pocket full of jewels

**F#m F#m**

Closer to you (x3)

I ll get through

Oh baby I ll get through

Closer to you
