

Make You Fall In Love With Me Brett Dennen

Make You Fall in Love With Me by Brett Dennen
From the album Loverboy (2011)

Chorded by Mike Nauls (from a video of Brett playing the song)

For some reason the spacing between chords doesn't show up right on UG but you can figure it out. Enjoy!

Capo 3

G D Em D G D Em (x2)

D G D Em
I saw you dance and sing on stage
D G D Em
with your bare feet and your hair in braids
D G D Em
You press your lips against your horn
D G D Em
If I could only be the notes you moan
