[Verse 1]

A **B**
Crows ravaging a field of wheat

Stars jealous of the moon

Scarecrows know their own defeat
E **A**
Envy and the heart it consumes
A G#m F#m **B**
Today I walked without you
E **A**
Like an empty bottle drifting out to sea
A G#m F#m **B**
I would change it if i knew how to
E **B**
But it don t come that easily

[Chorus]

A **B** **E**
If my heart wasn t such a jungle
A **B** **E**
Maybe you wouldn t feel so all alone
A **B** **C#m**
If your heart wasn t such and ocean
A **B** **E**
I wouldn t sink like a stone

[Verse 2]

A **B**
If you weren t so far from me
E **A**
I could hold you while you re sleeping
A **B**
And hear you breathing softly
E **A**
Be there when you re waking

Phone calls could not complete us
E **A**
Letters cannot replace
A G#m F#m **B**
Miles and miles and miles between us
E **B**

Another time another place

[Chorus]

A **B** **E**
If my heart wasn't such a jungle
A **B** **E**
Maybe you wouldn't feel so all alone

If your heart wasn't such an ocean
A **B** **E**
I wouldn't sink like a stone

I have yet to meet another

Who burns bright as you

I'm not looking for any other
C#m **B**
I only want you

A **B** **E**
If my heart wasn't such a jungle
A **B** **E**
Maybe you wouldn't feel so all alone

I wouldn't sink like a stone
A **B** **C#m**
I wouldn't sink like a stone

I wouldn't sink like a stone
