Strum Once, Mute: G

[Strike bass note, then strum]

N.C. Fmaj7 G
From the moment I met you

First heard the sound of your voice

Fmaj7 G
I couldn't forget you

It s not like I had the choice

Fmaj7 G

It was in a dark place

C	C/B	Am
And I couldn't really see your face		

G

But I knew right away that

Fmaj7 **G** **C**
You and I are two of a kind

Fmaj7

G

So put your hand in mine

Fmaj7 G

C

C/B Am

Some-day you and I will go a-way

Fmaj7

G

But our love will stay behind

[Intro Chords/Between Verse Riff, END ON G and mute]

(Do-do-do)

Juliet and Romeo

I couldn't understand in school

John and Yoko

I put them on a pedestal

But the greatest story I can tell

Is the one about how I fell

I remember so well

You and I are two of a kind

So put your hand in mine

Someday you and I will go away

But our love will stay behind

(Do-do-do)

It's not the clothes you wear

Or the way that you do your hair

It's the love we share

You and I are two of a kind

So put your hand in mine

Someday you and I will away

But our love will stay behind

(Do-do-do)

End on: C

Between Verse Riff [Basically the intro riff with a couple extra notes]
