

Fmaj7 **G**

So put your hand in mine

Fmaj7 G **C** **C/B Am**

Some-day you and I will go a-way

Fmaj7 **G**

But our love will stay behind

[Intro Chords/Between Verse Riff, END ON G and mute]
(Do-do-do)

Juliet and Romeo
I couldn t understand in school
John and Yoko
I put them on a pedestal
But the greatest story I can tell
Is the one about how I fell
I remember so well

You and I are two of a kind
So put your hand in mine
Someday you and I will go away
But our love will stay behind

(Do-do-do)

It s not the clothes you wear
Or the way that you do your hair
It s the love we share

You and I are two of a kind
So put your hand in mine
Someday you and I will away
But our love will stay behind

(Do-do-do)

End on: C

Between Verse Riff [Basically the intro riff with a couple extra notes]
