Verse:

G/B **C**
It happened on a Sunday,
Em **D**
Outside and the sun was shinning.
G/B **C**
That look on your face
Em **D**
Oh it hit me so hard inside.
G/B **C**
I could see how the light was fading
Em **D**
from your pretty blue eyes and
G/B **C**
all I needed were the right words,
Em **D**
but they were so hard to find.

Pre Chorus:

G/B
In a second my world changed
C
So fast that my heart was breaking
G/B
I wrapped my arms around you
D
and I just kept saying your name
G/B
i put your hands in my hands
Em
and we dropped to the floor board crying
C
at the moment your heart gave up on us

Chorus:

G/B
I told you,
G/B
ill bring you back, ill bring you back,
G/B
ill bring you back to love
G/B
I will, bring you back, ill bring you back,
G/B
Ill bring you back to love

Verse 2:

G/B **C**
I kissed your tears all falling down
Em **D**
Said baby, youâ€™ll always be the one
G/B **C**
Aw baby i m never going to turn around
Em **D**
Your all the life I have in these lungs

G/B **C**
We can all be scared to death
Em **D**
Never certain of what it is we want
G/B **C**
All the fears we should confess
Em **D**
Holding our breath just dying to speak up.

Pre Chorus:

G/B
In a second my world changed
C
So fast that my heart was breaking
G/B
I wrapped my arms around you
D
and I just kept saying your name
G/B
i put your hands in my hands
Em
and we dropped to the floor board crying
C
at the moment your heart gave up on us

Chorus:

G/B
I told you,
G/B
ill bring you back, ill bring you back,
G/B
ill bring you back to love

Ill bring you back to love

Bridge:

Em **C**
I remember that night at your mamas house
G **D**
We were so in love, finally said it out loud
Em **C**
I got down on my knees,
C
said youâ€™re the best thing that ever happened to me
Em
You walking down the isle,
C **C~**
I remember it now,
(No Chords)
I remember your smile
