Female Bonding - Brett James

Intro: E (4 bars with stop at end)

Versel:           **E**  
Well me and all of my buddies,  
          **A**                           **E**  
we spend most all our time  
  
with a fishin pole or a remote control  
          **B**  
of any ball game we can find  
          **E**  
and all the experts say male bonding  
          **A**                           **E**  
is good for any man  
          **A**                           **E**  
but I can testify that even if they re right,  
          **B**                           **E**  
there s only so much I can stand

Chorus: (tacet)                           **A**                           **E**  
I need some female bonding, I need a woman s touch  
          **B**  
you know I like just hangin with the boys  
          **A**                           **E**  
but this man can only stand soo much  
          **A**                           **E**  
I want some femi-nine company, I need a heart that s true  
          **B**                           **A**                           **E**  
and girl if you ll bond with me I ll bond with you

Verse2:  
now too much of a good thing  
  
can drive a man insane

I got nothing against my buddies  
and I sure hate to complain  
but male bonding ain t worth nothing  
on a lonesome summer night  
I might even trade my fast boat  
for a woman that ll treat me right

[CHORUS]

[SOLO - chorus with stops at end]

[CHORUS]

Coda:           **B**   **A   A Bb**  
and girl if you ll bond with me,   I said  
    girl if you ll bond with me,   yeah  
    girl if you ll bond with me,  
        (stop)                   **E**  
I ll bond with you
