

**Define Me**

**Brett Young**

[Verse 1]

**G** **D**  
How does it feel to know

**Cadd9**  
That I can't get you off my mind

**G D**  
Oh I can try  
**G** **D**  
But you get inside my head

**Cadd9**  
And that would be just fine if I knew

**G D**  
What I was to you

[Chorus]

**Cadd9 G**  
Am I forgettable  
**Em7 D Cadd9**  
Is mine the name that ties your tongue  
**G**

Or am I memorable  
**Em7 D**  
Is there a chance I could be the one

**Cadd9 G**  
Have I changed anything  
**Em7 D**  
Is there a place you keep for me

**Cadd9 G**  
What have I become to you  
**Em7 D**  
Define me. Define me

[Verse 2]

**G** **D**  
What am I supposed to do

**Cadd9 G**  
I'm scared of reaching out to you

**D G**  
To have you pull away

**D**  
I'm not afraid of letting go

**Cadd9 G**  
But it would sure be nice to know

**D**  
The right card to play

[Chorus]

**Cadd9 G**  
Am I forgettable  
**Em7 D Cadd9**  
Is mine the name that ties your tongue

**G**  
Or am I memorable  
**Em7 D**  
Is there a chance I could be the one

**Cadd9 G**  
Have I changed anything  
**Em7 D**  
Is there a place you keep for me

**Cadd9 G**  
What have I become to you  
**Em7 D**  
Define me. Define me

[Bridge]

**Cadd9**  
And I  
**G D**  
Have waited ever patiently

**Cadd9**  
And I  
**G D**  
have come up with a few simple things

**Cadd9**  
That you  
**D Cadd9**  
Could say to reassure me that you re mine  
**G Cadd9**  
One last time

[Chorus]

**Cadd9 G**  
Am I forgettable  
**Em7 D Cadd9**  
Is mine the name that ties your tongue

**G**  
Or am I memorable  
**Em7 D**  
Is there a chance I could be the one

**Cadd9 G**  
Have I changed anything  
**Em7 D**  
Is there a place you keep for me

**Cadd9 G**  
What have I become to you  
**Em7 D**  
Define me. Define me

[Chorus]

**Cadd9 G**

Am I forgettable

**Em7 D Cadd9**

Is mine the name that ties your tongue

**G**

Or am I memorable

**Em7 D**

Is there a chance I could be the one

**Cadd9 G**

Have I changed anything

**Em7 D**

Is there a place you keep for me

**Cadd9 G**

What have I become to you

**Em7 D**

Define me. Define me
