Tab by John Bostock

G **Em**
Somewhere there should be
Bm **G7**
for all the world to see
C **D** **G** **D**
A statue of a fool made of stone
D7 **G** **Em**
The image of a man
Bm **G7**
who let love slip through his hands
C **D** **D7**
And then just let him stand there all alone
G **Em** **Bm** **G7**
And there on his face a gold tear should be placed
C **D** **G** **D**
To honor the million tears he s cried
G **Em**
And the hurt in his eyes would show
Bm **G**
So everyone would know
C **D** **D7**
That concealed is a broken heart inside
G **Em**
So Build a statue
Am **D**
And ohooo build it high
Am **D** **G** (one strum each =) **G** **Gb** **F** **E** **Eb**
So that all can See
G
Then inscribe to the world s greatest fool
C **D** **C** **D** **C** **D** **G**
And name it after me After me
