

**Statue Of A Fool**  
**Brian Collins**

STATUE OF A FOOL  
Brian Collins  
<http://www.briancollinsmusic.net>

Tab by John Bostock

**G** **Em**  
Somewhere there should be  
**Bm** **G7**  
for all the world to see  
**C** **D** **G** **D**  
A statue of a fool made of stone  
**D7** **G** **Em**  
The image of a man  
**Bm** **G7**  
who let love slip through his hands  
**C** **D** **D7**  
And then just let him stand there all alone  
**G** **Em** **Bm** **G7**  
And there on his face a gold tear should be placed  
**C** **D** **G** **D**  
To honor the million tears he s cried  
**G** **Em**  
And the hurt in his eyes would show  
**Bm** **G**  
So everyone would know  
**C** **D** **D7**  
That concealed is a broken heart inside  
**G** **Em**  
So Build a statue  
**Am** **D**  
And ohooo build it high  
**Am** **D** **G** (one strum each =) **G** **Gb** **F** **E** **Eb**  
So that all can See  
**G**  
Then inscribe to the world s greatest fool  
**C** **D** **C** **D** **C** **D** **G**  
And name it after me After me
