**You Shine**
**Brian Doerksen**

[Verse]
```
  C#                            Ebm
Why should I fear man when You made the heavens.
  F#                         C#                    G#
Why should I be afraid when You put the stars in place.
  C#                          Ebm
Why should I lose heart when I know how great You are.
  F#                         C#                  G#
Why should I give up when Your plans are full of love.
```

[Bridge]
```
Bbm                           Ebm
   In this world we will have    trouble,

  but You have overcome the world.

Your love purer than the purest heart;
  F#    C#    F#              C#          G#                      C#
You shine filling us with courage and strength to follow You.
