

**By This River**  
**Brian Eno**

(intro) **C Am7 Fmaj7 Am**

**C**  
Here we are  
Stuck by this river,  
**Am7**  
You and I  
**Fmaj7**  
Underneath a sky that s ever falling down, down, down  
**Am**  
Ever falling down.

**C**  
Through the day  
As if on an ocean  
**Am7**  
Waiting here,  
**Fmaj7**  
Always failing to remember why we came, came, came:  
**Am**  
I wonder why we came.

(solo) **C Am7 Fmaj7 Am**

**C**  
You talk to me  
as if from a distance  
**Am7**  
And I reply  
**Fmaj7**  
With impressions chosen from another time, time, time,  
**Am**  
From another time.
