

By This River
Brian Eno

(intro) **C Am7 Fmaj7 Am**

C
Here we are
Stuck by this river,
Am7
You and I
Fmaj7
Underneath a sky that s ever falling down, down, down
Am
Ever falling down.

C
Through the day
As if on an ocean
Am7
Waiting here,
Fmaj7
Always failing to remember why we came, came, came:
Am
I wonder why we came.

(solo) **C Am7 Fmaj7 Am**

C
You talk to me
as if from a distance
Am7
And I reply
Fmaj7
With impressions chosen from another time, time, time,
Am
From another time.

(**C Am7 Fmaj7 Am**)
