

## No Weather

Brian Fallon

This is No Weather performed by Brian Fallon on the 2011 Revival Tour with Dan Andriano, Chuck Ragan and Dave Hause. When this song is played live Brian plays it with

a capo

on fret 2, however this is because his guitar is tuned to D standard. The chords I ve

tabbed here is how you would play the song if you were playing in E Standard with no capo.

Intro: **Am, E, Am, F** (x2)

Verse 1 :

**Am** **E**  
Have I been to you a stranger?  
**Am** **F**  
Have I done you something unkind?  
**Am** **E**  
You bring me ruin when I ask for water.  
**Am** **F**  
Trouble when I ask for rain.

Chorus:

**C** **F**  
And all I wanted from you was no weather.  
**C** **E**  
I ve know dark clouds since I was young.  
**C** **F**  
All I needed was slow peaceful rivers.  
**C** **E**  
All I felt was poison on my tongue.

Verse 2:

**Am** **E**  
Are you out there my cold blooded brothers?  
**Am** **F**  
Did our father raise you as stones?  
**Am** **E**  
Did your mother raise you on Judas or Jesus?  
**Am** **F**  
Is it cold out there where you are from?

Chorus:

**C** **F**  
And all I wanted from you was no weather.  
**C** **E**  
I ve know dark clouds since I was young.  
**C** **F**

All I needed was slow peaceful rivers.

**C** **E**

All I felt was poison on my tongue.

Bridge:

**C** **G** **F**

But someday I ll reach me that valley.

**C** **G** **F**

Someday it will not hurt no more.

**C** **G** **F**

I will lie down in them still waters.

**C** **E**

But tonight it s too cold to run.

Chorus:

**C** **F**

And all I wanted from you was no weather.

**C** **E**

I ve know dark clouds since I was young.

**C** **F**

All I needed was slow peaceful rivers.

**C** **E**

All I felt was poison on my tongue.

End on: **Am**
