Brian Free & Assurance

original is in F

[Verse 1]

G **Em**
He was awake before the sun with his Bible opened up
C **D**
Seeking truth with every single page he turned
G **Em**
Anyone could see my daddy lived what he believed
C **D**
With a gentle heart a passion for Jesus burned
Em **C**
I know we had our times we disagreed
Em **D**
But the longer I live it s clear to me

[Chorus]

G **D**
I want to be that man
Em **C**
Who loves the Lord with all his heart just like the Word commands
G **D** **Em** **C**
Who takes a stand and leads his family as he holds the Father s hand
D **G**
I want to be that man

[Verse 2]

G **Em**
Society would say there s a new ideal today
C **D**
Not what you give, it s more about what you can get
G **Em**
But I want to live a life that s marked by sacrifice
C **D**
Like the Savior who died to show us all the way
Em **C**
So I ll take up my cross and trace His steps
Em **D**
Surrendering is how I ll serve Him best

[Chorus]

G **D**
I want to be that man
Em **C**
Who loves the Lord with all his heart just like the Word commands
G **D** **Em** **C**
Who takes a stand and leads his family as he holds the Father s hand

D **G**
I want to be that man

[Bridge]

C **D**
Just like Peter, Paul, and all the saints of days gone by
C **D**
Let me show that kind of faith to those who come behind

[Chorus]

A **E**
I want to be that man
F#m **D**
Who loves the Lord with all his heart just like the Word commands
A **E** **F#m** **D**
Who takes a stand and leads his family as he holds the Father s hand
E **A**
I want to be that man

[Outro]

F#m **D**
I ll lead my family as I hold the Father s hand

I want to be that man
