[Verse 1]

```

          G
Let me be filled
          C          D          G G
With Kindness, and compassion for the One
          C          D          Em
The One for whom You loved, and gave Your Son
          C D          G
For humanity; increase my love
```

[Chorus]

```

          C          D          G
Help me to love with open arms, like You do
          C          D          G
A love that erases all the lines, and sees the truth
          C          D          Em
Oh that when they look in my eyes, they would see You
Em          C          D          G
Even in just a smile; they would feel the Father s love
```

[Verse 2]

```

          G
Oh how He loves us
          C          D          G G
From the homeless, to the famous, and in between
          C          D          Em Em
You formed us, You made us carefully
          C D          G
Cause in the end; we re all Your children
```

[Chorus]

```

          C          D          G
So help me to love with open arms, like You do
          C          D          G
A love that erases all the lines, and sees the truth
          C          D          Em
```
