Db Ab
Nothing ever happens in this town
Db F#
Itâ€™s the same old thing when we go out
Db Ab
A new place to hang with the same crowd
Bbm F#
I looked up when you came and sat down

Db Ab Bbm F#
Now Iâ€™m here with you and Iâ€™m admiring the view
Db Ab Db
I hope you never (ever) never (ever) cut me loose
F#
And I donâ€™t know what to do because

Db Ab
Iâ€™m falling into something real and I canâ€™t stop me
Db F#
Iâ€™m knocking over everything and you just caught me
Db Ab
From start to finish I promise Iâ€™m in this
Bbm F#
Just wanna let you know, yo Iâ€™m falling like a domino

Db Ab
(Falling, falling, falling) Just like a domino
Bbm F#
(Falling, falling, falling) Just like a domino
Db Ab
From start to finish I promise Iâ€™ll mend this
Bbm F#
Just wanna let you know, yo Iâ€™m falling like a domino

Db Ab
Always said true love never happens
Db F#
A little push caused this chain reaction.
Db Ab
I never thought youâ€™d be my distraction

Bbm F#

I admit girl you got me crashing

Db Ab Bbm F#
Now Iâ€™m here with you and Iâ€™m admiring the view

Db Ab Db
I hope you never (ever) never (ever) cut me loose

And I donâ€™t know what to do because

Bbm F#
When the last one falls baby we got that

Db Ab
Youâ€™re sayingâ€¦ ooh ooh (hot hot) Ooh ooh (hot hot)

Bbm F#
Keep saying (hot hot) ooh ooh (hot hot)

Db Ab
When it all comes down you gonâ€™ have my back
