Chaos Karaoke;

I m scared to move,
I m scared of standing still,
I m scared to change,
I m scared to stay the same ,
I m so scared I want to die ,
I m scared of dying,
I m scared of not being liked,not being loved,
I m scared to be alone,
I m scared of being with people
I m scared of disapproval,
I m scared of life,
I m scared to lose what I have built,
I m scared of feeling scared,
I m scared of being ugly, being boring, being dull,
I m scared of my thoughts,
I m scared of being found out,
I m scared of Steven Berkhoff,
I m scared to dance,

I m scared to speak, to sing,
 I m scared my body s awkward, the wrong shape, wrong smell,
 I m scared to say what I think,
 I m scared to say no, or yes too often,
 I m scared of disappointing,
 IÂ´m scared of losing control,
 I m scared of pain,
 I m scared of hurting, being hurt,
 I m scared this will go on til I die,
 I m scared of losing my home, my love, my kids, my kids,
 I m scared my heart will break,
 I m scared of losing myself,
 I m scared of finding myself, Because there might be no-one there at all,
 I m scared of the unknown future,
 I m scared to make a wrong turn,
 I m scared of the dark,
 I m scared of failing,
 I m scared it may all be for nothing
