

Be True To Your Woman

Brian McFadden

(G) (D)
I was talking last nite
(G) (D)
To a friend who was thinking he might
(G) (D)
Risk it all for a moment of lust
(A)
So I told him...

(G) (D)
You can live everyday like your last
(G) (D)
Pay the price and the moment will pass
(G) (D)
And it s too late and there s no second chance
(A) (D)
If it s over, you got nothing

(D) (G) (A) (G) (A)
I ve been there the grass was just fine on this side
(D) (G) (A) (G) (A)
Because I ve been there there s no going back on that ride
(G) (D)
There s no replacing the love you ve got
(A) (Em)
Don t have to lose to see what you ve lost
(D) (G) (A) (D)
Just be true to your woman

(G) (D)
No good living a lie
(G) (D)
When it s over the secret wont die
(G) (D)
She ll move onto another guy
(A)
She won t love you like your wife

(D) (G) (A) (G) (A)
I ve been there I dont recommend the pain
(D) (G) (A) (G)
Because I ve been there trust me as your friend
(A)
There s nothing to gain

(G) (D)
There s no replacing the love you ve got

(A) (Em)

Don't have to lose to see what you've lost

(D) (G) (A) (D)

Just be true to your woman
