    I can t remember why we fell apart

A#m-G#-F#   D#m   B
    From something that was so meant to be, yeah
    Forever was the promise in our hearts
    Now, more and more I wonder where you are
    [chorus]
    Do I ever cross your mind, anytime
    Do you ever wake up reaching out for me
    Do I ever cross your mind anytime
    I miss you
    Still have your picture in a frame
    Hear your footsteps down the hall
    I swear I hear your voice, driving me insane
    How I wish that you would call
    To say
    Chorus
    I miss you
    I miss you
    (no more) loneliness and heartache
    (no more) crying myself to sleep
    (don t want no more) wondering about tomorrow
    Won t you come back to me
    Come back to me, oh
    Chorus
    Chorus
    I miss you
    I miss you
    I miss you
