**Am**

They say it s a river

**Ab**

That circles the earth

**C**

A beam of light shining

**D7**

To the edge of the universe

**F**                    **G**

It conquers all

**F**                    **G**

It changes everything

**Am**

They say it s a blessing

**Ab**

They say it s a gift

**C**

They say it s a miracle

**D**

And I believe that it is

**F**                    **G**

It conquers all

**F**                    **G**

But it s a mystery

-----Chorus 1 \*

**C**                    **F**                    **G**

Love breaks your heart

**C**                    **F**                    **G**

Love takes no less than everything

**C**                    **F**                    **G**
