

All I Ever Wanted
Brian Melo

This is a copy of another tab from this site. Just using slightly more correct chords.

Some of the chords come in after the beginning of the line so the best thing to do is play along with the song first to get the timing right!

Any corrections? Email: livelarge_bsmall@hotmail.com

CAPO 1st Fret

C G F
Slow down, Make it last
C G F
I m having the time of my life
C G F
And take a, photograph
Dm F
I don t wanna leave this behind

Feet off the ground

G

Em

F

I don t wanna come back down

C G F

So take a photograph

C G F

We re having the time of our life

~Rest~ **C G**

This is all I ever wanted

F C G

But life got in my way

F C G

You re all I ever wanted

F C G

I didn t see how it could change

F C G

This is all I ever wanted

F C G

Nothing will get in the way

F C G

You re all I ever wanted

F **C** **G**
I didn t see how it could change
F **C** **G** **F**
I didn t know what I was missing until...today

Hope you find this a little more accurate.
