

Forgot To Laugh
Bridgit Mendler

*= strum

F*

When I read your face It s like a screen door

Bb*

I can see right through Your heart s a window

F*

Why you gotta treat me like the bimbo?

The sticks are out

Bb*

And you don t care anymore

Dm **Bb**

You make it so easy

F **C**

You re sweet like a Reese s Pieces

Dm **Bb**

But I promise, if you leave me

F **C**

You ll be crawling on your knees

Bb **C**

So if you go it s a joke

Dm **Bb**

If you drive away

F **C**

Hope you get a flat tire, get stranded

Dm **Bb**

If it s goodbye today

F **C**

Know you re leaving here empty handed

Dm **Bb**

Cause I got my own life

F **C**

And you re just a punch line

Dm **Bb**

If you go, you re a joke

C*

I forgot to laugh

F

You don t like it when I check your iPhone

Bb

I don t even get my own ring tone

F

When you re hanging out with all your best bros

Bb

You don t wanna tell me where you guys go

Dm Bb

You say that I m needy

F C

Like a kid needs Reese s Pieces

Dm Bb

But I promise if you leave me

F C

You ll be running back to me

Bb C

At my door, what a joke

Dm Bb

If you drive away

F C

Hope you get a flat tire, get stranded

Dm Bb

If it s goodbye today

F C

Know you re leaving here empty handed

Dm Bb

Cause I got my own life

F C

And you re just a punch line

Dm Bb

If you go, you re a joke

C

I forgot to laugh

Dm

So if you re saying peace like

Bb

You re so over me

F

Tryin to sting like a bee

C

Then I gotta laugh

Dm

You re more like a jockey

Bb

Or a cute little bunny

F

Think that you re funny

C

Then I gotta laugh

Dm Bb F C

Laugh

F

Like a diamond in a mountain of coal

Bb

I'm the girl the guys can't find anymore

Hey yeah!

Dm Bb

If you drive away

F C

Hope you get a flat tire, get stranded

Dm Bb

If it's goodbye today

F C

Know you're leaving here empty handed

Dm Bb

Cause I got my own life

F C

And you're just a punch line

Dm Bb

If you go, you're a joke

C

I forgot to laugh

Dm Bb

If you drive away

F C

Hope you get a flat tire, get stranded

Dm Bb

If it's goodbye today

F C

Know you're leaving here empty handed

Dm Bb

Cause I got my own life

F C

And you're just a punch line

Dm Bb

If you go, you're a joke

C

I forgot to laugh

Dm Bb F C

{Na na na na...} x3

C*

I forgot to laugh
