

Hold On For Dear Love
Bridgit Mendler

Depending on vocal range or preference works without a Capo or Capo on the 1st fret.

Intro: **G C Em D**

G C
I ve been staring at the ceiling
Em D
Watching the fan swirl around and round and round
G C
Cause I canâ€™t hear my breathing
Em D
The words we said are still so loud, loud, loud

Em C
And we been drifting off so far
Em D
That I don t even know where we are
Em C
Before we jump, Before we leap
Em D
And all is lost for you and me, yeah

G C Em D
If weâ€™re not stupid weâ€™ll both hold on for dear love
G C Em D
Find our way through this, itâ€™s not worth just giving up
G C Em D
Cause I ve got some fight left in me, and I don t see us ending this way
G C Em D
If weâ€™re not stupid weâ€™ll both hold on for dear love, love

G C
Iâ€™ve been weighted down by the silence
Em D
All these words that don t come out
G C
Iâ€™ve been tempted just to write it
Em D
And say Iâ€™m sorry without a sound, sound, sound

Em C
And we been drifting off so far

Em **D**
 That I don't even know where we are
Em **C**
 But we can try and we can speak
Em **D**
 Before we're lost indefinitely

G **C** **Em** **D**
 If we're not stupid we'll both hold on for dear love
G **C** **Em** **D**

G **C** **Em** **D**
 If we're not stupid we'll both hold on for dear love, love

Em **C** **G** **D**
 I've been terribly human, using you like a punching bag
Em **C** **G** **D**
 and you-u-u-u been terribly angry, taking out all your words, words on me
C **Em**
 And I see what we were, and I know that we've hurt,
G **D**
 but I know it's worth it to fight for all our love tonight

G **C** **Em** **D**
 If we're not stupid we'll both hold on for dear love
G **C** **Em** **D**

G **C** **Em** **D**
