

Somebody

Bridgit Mendler

I don't know if the chords are perfect, but it sounds decent. Enjoy!

Can you see me  
cause I'm right here  
can you listen?!

cause I've been trying to make you notice  
what do you mean to me  
to feel like somebody  
we've been on our way to nowhere

trying so hard to get there  
and I say OH!  
we're gonna let it show  
we're gonna just let go of everything  
holding back our dreams  
and try  
to make it come alive  
come on let it shine so they can see  
we were meant to be somebody  
somebody ya somehow someday someway somebody..

I'm so tired  
of being invisible  
but I feel it, YA!  
like a fire below the surface  
trying to set me free

**G**  
but inside of me  
**Am**  
cause we re standing on the edge now  
**A**  
it s a long way down  
**D**  
but I say OH!  
**G**  
we re gonna let it show  
**Am**  
we re gonna just let go of everything  
**A**  
holding back our dreams  
**D**  
and try  
**G**  
to make it come alive  
**Am**  
come on let it shine so they can see  
**A** **D**  
we were meant to be somebody  
**G** **Am** **A** **D** **A**  
somebody ya somehow someday someway somebody..  
**D**  
we will walk out of this darkness  
**G** **Am**  
feel the spark light glowing like the yellow sun  
**A**  
oooohhhh  
**D** **D**  
and then we fall, we fall together  
**G** **G** **Am** **A**  
till we get back up and we will rise as one

(5 Second pause)

**D**  
oooohh  
**G**  
we re gonna let it show  
**Am**  
we re gonna just let go of everything  
**A**  
holding back our dreams  
**D**  
and try  
**G**  
to make it come alive  
**Am**  
come on let it shine so they can see  
**A** **D**  
we were meant to be somebody

**G**                    **Am**        **A**                **D**                **A**  
somebody ya somehow someday someway somebody..
